

# FRONT RANGE HIPPO THERAPY

Dear Supporter,

Now in existence for nearly twelve years, our organization, Front Range Hippotherapy, continues to service disabled children and adults in our community by providing therapy that integrates horses and patient. This unique treatment approach greatly benefits our patients – helping each achieve his/her maximum potential physically, cognitively and emotionally. The skills they gain are then integrated back into their families, schools and communities. To read more about the magic of Hippotherapy visit our website at: [www.frontrangehippotherapy.org](http://www.frontrangehippotherapy.org).

These individuals of our community are outstanding – in the challenges they face and the spirit and strength they embody. And our group of staff, volunteers and therapy horses bring an unparalleled dedication and passion to enriching their lives. But we can't sustain our level of service without the generous donations of people and organizations like yours.

Our primary goal continues to be erecting an all-weather facility. Inclement weather and shortened daylight hours greatly reduce the number of treatment sessions we can offer our patients. Having to cancel sessions due to weather remains a financial stress for FRH and, at the same time, prevents our patients from making the progress we know they could otherwise achieve. An arena would benefit both our organization and our patients while also allowing us to add additional service hours to help more members of our community. To achieve this goal, we hope to raise \$75,000 this year to hire a professional fundraising person to work on philanthropy for the arena project.

On May 5th, 2018 we will be hosting our largest annual fundraising event- The Boulder Derby Party. The party will coincide with the 144th Run for the Roses – The Kentucky Derby. Guests will enjoy gourmet food and drinks, silent auction, paddle raiser, casual betting, live music, a 'best hat' contest and much more. All proceeds will benefit Front Range Hippotherapy and all donations are tax deductible. We would be honored to have you continue this legacy of supporting the Boulder Derby Party ([www.boulderderby.com](http://www.boulderderby.com)).

As a Colorado Non-Profit, we depend on the support of our community and donors like you to continue to help our patients achieve their goals. Please join us. Your support and involvement will be reflected a thousand-fold in the progress of our patients.

Thank you and hope you can visit soon,

Amy Meilen, PT, Executive Director
